

## Presbyterian Women's News from Mid-Kentucky

**Spring Gathering** will be Saturday March 29<sup>th</sup>, at Anchorage Presbyterian Church, 11403 Park Road, Anchorage, KY. Registration starts at 9:00 am, followed by a time of informal fellowship. The business meeting and Gathering will begin at 10:00.

Our theme this year is “**Answer the Call...Be a Mentor**” based on the scripture 2 Timothy 1:3-7. Our speaker will be Rev. Cindy Cushman, Program Manager of Project THRIVE. This is a mentoring program of Bellewood Presbyterian Homes for Children that serves youth and young adults ages 16-26 with mental and emotional disabilities. Rev. Cushman has been with Bellewood since Nov 2006; she was previously pastor of Faith Presbyterian for 5 years and Interim Associate at Springdale Presbyterian for 2 years, all here in the Mid-KY Presbytery. She and her husband, Kerry Rice, are foster and adoptive parents for the state of Kentucky and are the parents of six children. The offering focus of this year's Spring Gathering is Bellewood Presbyterian Home. We challenge each church to lift a minimum of \$200 to bring for our offering. An interpretation of the offering will be given prior to offering collection.

Lunch will be served following the program, plan to stay for lunch and join us in celebrating “PW's Twenty Year Birthday Party”. Reservations must be received by Friday March 21 with \$8.00 per person to defray the cost of the meal. Vegetarian meals are available by prior request. Childcare may be arranged not later than March 14<sup>th</sup>, by calling 502-245-5818, giving the number of children you are bringing and each of their ages.
