Diapers & Wipes Baby Showers Ministry : This event has become a wonderful, loving ministry which brings support to our church's young couples. This program was created in celebration of God's blessing for the babies arriving and adding to our church family. FPC members provide baby products in an effort to send home diapers and wipes prior to a baby's birth. It has been successful. New parents receive abundant supplies, which offsets the expense of providing for the bundle of joy. The products last for 3 to 4 months! We praise the Lord for new life in our church family. (Janice Kinard, Moderator, **St. Andrew Presbytery**)
