

PRESBYTERY OF THE MID-SOUTH

We are happy to report to you that three very industrious ladies from Collierville Presbyterian Women (Collierville, TN) made enough of the ribbon necklaces that we were able to contribute \$1,200 to Living Waters of the World. Ruth Lewis, our Missions Chairperson, headed this project and was assisted by Ann Cross and Nancy Drewry. Ruth said she had no idea the project would take off the way it did when she started it – she has really worked hard on this project as the results indicate and we are very proud of her and her helpers. We are a small church and have been pleasantly surprised at the results of the efforts by these ladies.
