

Sharing and Celebrating God's Gift's  
At  
The Market Place  
June 3- 5, 2010  
Huntsville, Al

Dear Moderators

Just a reminder that we need your help to get the word out about the 10 items that we must have, from each church, at Huntsville for the Market Place. Your spring Gatherings are coming up so please encourage your PW to help with these items.

The proceeds will be divided between Living Waters of the World, Louisville Seminary and Columbia Seminary.

A list of suggestions are, knitted and crochet items, hand made jewelry, PW items, canned goods, candles baby items, etc. No White Elephant's please. If you want to send them to the First Presbyterian Church at Huntsville, the address is 307 Gates Avenue, Attn: Stella Wilson. She will have a place to store them. Or if you want, you can send them or bring them to the Gathering.

Thank you in advance for supporting these missions. We know that we can depend on our PW as always.

God Bless You
