

“Presbyterian Women of St. Andrew Presbytery follow
God's Ways in 11 Days!”

Have you ever been asked to go to a place unknown? Have you thought about following Christ with complete trust that you are doing a new thing for His sake?

Fifteen people from First Presbyterian Church of Starkville did just that. Actually, sixteen members of our family walked with Christ the summer of 2008. Tyler Cummings went to Honduras as a lone ranger from our church family, but he traveled with our family from South Carolina.

Quimistan Honduras was where the Lord sent the following disciples:

Jim McBride, Team Leader, Anne Buffington, Callie Montgomery, Ashlee Drake, Emory McBride, Donna McBride, Avent Clark, Marquita Beaty, Janice Kinard, Jeff Foster, Andrew Fountain, Jack Smith, Cameron Beaty, Justin Estes, Randell Foxworth and Tyler Cummings.

These are the chosen ones who left all they knew behind for a place and a people that the Lord has selected for His purpose and mission.

We left Golden Triangle Airport with 15 trunks of supplies that **you provided**. Where did it all go? What did we do down there? The Presbyterian Church Construction Company went and began building a school and packed school supplies that **you provided** for the children's education. Over 300 children needed His medicine that **you provided** for their welfare. A family needed His home that **you provided** for their welfare. A very poor family we discovered were living on the side of a busy highway and their small children have to work (and are not able to go to school) – **you provided** for them to be cared for and fed. See the two children in the truck – they are headed to the hospital for medical surgery – **you provided** funds for their healing and restoration.

Did you go to Honduras? **YES, YOU DID!** Thank you for your support, your prayers and your love for those of us who went in person. We had a great time, but this team worked hard and fast. Laughter was abundant, but joyful tears were flowing when the trip came to an end.

I have read in the Bible about the times when people met Christ. Their whole presence changed and the Lord's light could be seen upon them. I speak from experience that all of us who traveled this road to Honduras with Christ have been changed and seek to do His will for others more eagerly and more faithfully here and there. We are better disciples for Christ.

If you are asked, or if you ask Jesus to send you, go. He is waiting for you to come. He will be home with your family, your work, and your life here while you enjoy being with Him and your brothers and sisters in Christ there! Get on out of that boat and walk on the water!
